Discussed Ken's suggestion that if we are doing well on an event, consider offering a membership to someone we think should be a member of ARMA.

5. Programming – Ken, Jon Weston, Annette, and All

- i) September 25, 2013 scanning event:
 - Expenses about \$1,100 + \$34.09 Eventbrite + \$25.55 for fees.
 - Income about \$800.
 - Feedback: more networking time needed; comment food not very healthy.
 - Improvements for next time: board members should not sit at one table; larger table at back for ARMA materials; send out parking information in advance; improve food.
- ii) October 24, 2013 CUBE tour:
 - 9 people signed up; some problems with registering at Eventbrite
 - Second tour should be opened up and members notified
 - Attendees need to be provided with CUBE's address
- iii) November event (Brainstorming – how to foster a relationship between IT and information governance planning):
 - Need to start publicizing; need to confirm if date solidified, and if we have a venue.**ACTION:** Annette to remind Ken and work on marketing.

iv) December 9th event:

- 3 speakers, one hour each (Alex Wright, Gordon Houston, & 95% certain Art Bellis).
- Ken is working on the schedule. Half day, with anniversary event to follow (1:00-7:00ish).
- Evening 10th anniversary celebration: Deirdre Bradshaw will do a brief congratulations speech; and Ken will speak for 20-30 minutes.
- Registration: \$80 for members; \$100 for non-members.
- Eventbrite challenge: how to charge for social event, separate from educational.

ACTION: Jim to see about SWAG for a gift basket (business card draw).

ACTION: Annette to work on marketing.

v) Postcard:

- Jon has been unable to print on cardstock.
- We also need rack cards printed ASAP.

ACTION: Jim will see if can get postcards and rack cards printed by a vendor.

6. Partnerships

None

7. Marketing – Ken Oldenburger & Annette LaFave

a) Pamphlet for this year:

- Ken hasn't got a hold of Leonora (LC had pamphlet).

ACTION: Jon has drafts in PDF, and will see what else he can find.

b) Website/social media:

- Annette reported that traffic counter hits doubled in one month.
- Annette will update board members on website (TLS now Secretary; NM Vice-Secretary; VGO Member at Large; and AC no longer Member at Large).

c) Name tags:

- Name tags similar to those ARMA Vancouver has to identify board members will cost \$7.50/each. Tags are magnetic (no pins). Other types may be slightly cheaper.

8. Vendor Relationships – Ken Oldenburger

Website advertising/Event sponsorship:

- Ken was going to get rate sheets from Vancouver and Calgary, but using the same rates would not be comparable as we are much smaller.
- More thought is needed, however if we want to try and get sponsorships for December (i.e. someone to sponsor appetizers) we will need something soon.

9. ARMA VI History - Terrell Les Strange

Terrell went through minutes and other documents on the ARMA VI website to compile an outline of events, and had been working on a timeline. Format still needs work and it might be a good idea for someone with more personal familiarity to review and revise content if anything important has been missed.

ACTION: Terrell will work on format/content, and then forward to Ken for review and revision if necessary.

10. Clean up electronic files

None

11. Western Regional Summit September 28 & 29 – Ken Oldenburger, Jon Weston, and All

a) Report:

Whining about Records

- Discussed holding event in Kelowna, October 2014.
- Would have two streams: RIM Basics; and First Nations.
- ARMA Vancouver & VI only because ARMA Calgary has national conference.
- May not be able to call it a regional conference.
- Board in attendance voted we should proceed, but majority not in attendance so must vote at next meeting (one more yes required).

ACTION: vote next meeting on whether to proceed.

Information Sharing

- Saskatchewan also attended.
- Lots of information sharing with other chapters.
- Recording speakers: consider using an A/V student.
- Registration services: some larger chapters using Monaris. Canada is looking at offering that service to chapters.
- Western event calendar: Ken suggested having a website that publicizes all information events for Western Canada might be a good idea. Calendar could publicize more than just ARMA, OIPC events.

13. Chapter Bylaw Changes – Ken Oldenburger

a) 2/3 of director must be in attendance to approve, so vote deferred.

ACTION: vote to approve changes next meeting.

14. Next meeting
